
Summary article in openDemocracy

Posted by Anthony Barnett - 2008/03/22 00:40

There is a short accessible summary by Mike Edwards of his argument - which he gave at the London launch of Just Another Emperor? It's here:

http://www.opendemocracy.net/article/globalisation/visions_reflections/philanthrocapitalism_after_the_goldrush

The issues it raises are very important not only for the future of nonprofit work but also for restoring belief in values that are not governed by the marketplace. It is great that you are hosting this discussion.
